Middle School 2018-2019 Pricing Worksheet

Our pricing structure for additional classes reflects a per-hour fee instead of a per-class fee, with a graduated discount for each additional hour. To calculate your additional cost, choose classes, add up the total number of additional class hours per week and see the cost in the table below.

Please note: A Middle School STEM package discount of \$350 is offered for students taking Science, Engineering/Technology, and Math classes.

If you do not wish to enroll in the STEM program, Individual Science Classes are available at a cost of \$1466 which also includes the mandatory off-site classes (Expedition).
