Our pricing structure for additional classes reflects a per-hour fee instead of a per-class fee, with a graduated discount for each additional hour. To calculate your additional cost, choose classes, add up the total number of additional class hours per week and see the cost in the adjacent table.

<b>Science Class</b>	\$ 1661
Number of additional hours _____	
Cost of additional hours	\$ _____
Additional fees	
Lab Fee	\$ <u>175</u>
New Student Registration (\$250)	\$ _____
New Student shirt fee (\$40)	\$ _____
Re-enrollment fee (\$185 prior to 3/31; \$250 as of 4/1)	\$ _____
Blue polo shirt (\$10) (re-enrolling students)	\$ _____
<b>TOTAL</b>	<b>\$ _____</b>

Example 1: Science (\$1661), plus Algebra 1 Honors (2 hrs ), plus Engineering (2 hrs), plus Spanish (2 hrs), plus History (1.5 hrs) for a total of 7.5 additional class hours.

→ Science class = \$1661  
     +7.0 add'l hours = \$2511  
     +0.5 add'l hours = \$179  
     TOTAL = \$4351 (Tuition only)

Example 2: Science (\$1661), plus Algebra 2 Honors (3hrs), plus Spanish (2 hrs) for a total of 5 additional class hours.

→ Science class = \$1661  
     + 5 add'l hours = \$1977  
     TOTAL = \$3638 (Tuition only)
